## Step 1: 'Tawtheeq' account creation

- Enter your desired password in Box 1. It has to contain atleast one digit, one letter and be longer than six characters
- Re-enter the password in Box 2
- Click the blue 'Continue' button

## Step 1: 'Tawtheeq' account creation

- Your 'Tawtheeq' (National Authentication System) account has been successfully created. Your username will be your Qatar ID number

Your 'Tawtheeq' account will be used for many purposes in the future in Qatar. Remember your chosen username and password for future use.

## Registration for COVID-19 Vaccine

- The MOPH has approved Pfizer and BioNTech COVID-19 vaccine for emergency use, as safe and effective.
- Qatar plans to provide the Covid-19 vaccine free of charge to all Qatar citizens and residents.
- Certain population groups should receive the vaccine first because they are at higher risk. The three priority population groups are: older people, people with certain chronic conditions and key healthcare workers.

### Please read the following instructions:

This service will enable you to register with the MOPH your interest to take the Covid-19 vaccine, and if you are in one of the first priority groups, enable you to request an appointment to take the vaccine.

Even if you are not in one of the listed priority groups, your interest to take the vaccine will be recorded and saved by the MOPH, and you will be contacted when you are eligible.

In order to use this service, you will need to login using your National Authentication System (NAS) TAWTHEEQ username and password

If you don't have a NAS Account, you can create one on the following link:  
<https://www.nas.gov.qa/self-service/register/select-user-type?lang=en>

If you forgot your NAS Account credentials, you can reset your password on the following link: <https://www.nas.gov.qa/self-service/reset/personal?lang=en>

## Registration for COVID-19 Vaccine

There are certain situations in which precaution should be taken before taking the vaccine. In these cases you should discuss with your healthcare provider to understand if and when you should take the vaccine. Please answer the following questions:

Have you ever had any severe allergic reactions?

1

☐ Yes

☐ No

Are you currently Pregnant/ breast-feeding?

2

☐ Yes

☐ No

Are you currently in isolation because you tested positive for COVID-19?

3

☐ Yes

☐ No

Have you received plasma treatment for Covid-19 within the last 90 days?

4

☐ Yes

☐ No

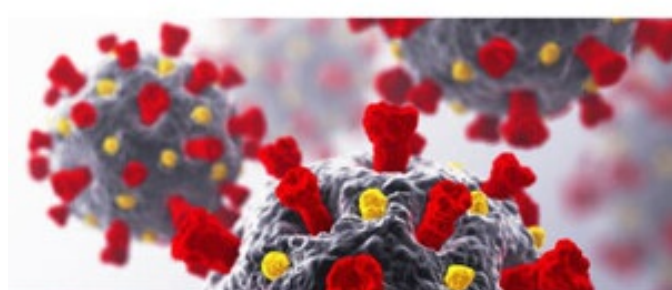

## Step 2: Register on the COVID-19 vaccination portal

- Select 'Yes' if you have had any severe allergic reaction in the past, otherwise select 'No'
- Select 'Yes' if you are pregnant or are breast-feeding, otherwise select 'No'
- Select 'Yes' if you are currently in quarantine due to COVID-19, otherwise select 'No'
- Select 'Yes' if you have received plasma treatment for COVID-19 in the past three months, otherwise select 'No'
- After you have answered the four questions, scroll down

# Registration for COVID-19 Vaccine

There are certain situations in which precaution should be taken before taking the vaccine. In these cases you should discuss with your healthcare provider to understand if and when you should take the vaccine. Please answer the following questions:

Have you ever had any severe allergic reactions?

☐ Yes ☒ No

Are you currently Pregnant/ breast-feeding?

☐ Yes ☒ No

Are you currently in isolation because you tested positive for COVID-19?

☐ Yes ☒ No

Have you received plasma treatment for Covid-19 within the last 90 days?

☐ Yes ☒ No

Everyone is at risk of getting COVID-19 and developing serious complications from the virus, but certain population groups are at higher risk and it is therefore more important for these groups to receive the vaccine as soon as it is available.

Please note that at this early phase of the National Covid-19 Vaccination Program only those who meet the announced criteria are eligible to get the vaccine at this time.

However, all other community members who wish to receive the vaccine should register here their desire to do so, and you will be contacted for an appointment as soon as it is your turn in accordance with the National Covid-19 Vaccination Strategy which will be shared soon.

Please select if you are in any of the following groups which are currently eligible:

☐ All adults age 60 years and older **1**

☐ Older adults at long-term care facilities/home care **2**

☐ People with severe or multiple chronic conditions that put them at highest risk; priority for those 50 years old and above **3**

☐ Healthcare workers who work at Covid-19 facilities and isolation facilities **4**

☐ Healthcare workers providing care for patients at in ICU/long-term care facilities/home care **5**

☐ Essential first responders/workers (EMS Emergency Medical Service, Ministry of Interior, Ministry of Defense, Oil& Gas Sector) **6**

☐ Teachers and Healthcare workers at high risk due to age or chronic conditions **7**

☐ Public Health Teams involved with contact tracing **8**

Even if you do not fit into one of the above priority groups, we will record your interest to take the vaccine, and you will be contacted when you are eligible. **9**

[Click here to continue your Registration for Covid-19 Vaccine](#)

## Step 2: Register on the COVID-19 vaccination portal

- Select Box 1 if your age is 60 years or more
- Select Box 2 if you are at a long-term care facility
- Select Box 3 if you have multiple chronic conditions like diabetes, high blood pressure etc.
- Select Box 4 if you are a healthcare worker at a COVID-19 facility
- Select Box 5 if you are a healthcare worker in an ICU or long-term care facility
- Select Box 6 if you are an essential first responder
- Select Box 7 if you are a teacher or healthcare worker with chronic conditions
- Select Box 8 if you are involved in contact tracing for COVID-19
- Click the red button (9) at the bottom

You may have not selected any of the boxes, in which case you will be contacted when it is your turn. If you did select any of the boxes, you will be asked to schedule an appointment. Follow the instructions as necessary.

## Step 2: Register on the COVID-19 vaccination portal

- You have successfully registered for the COVID-19 vaccine. You will receive a message when it is your turn to get the vaccine. Thank you for your part in the fight against COVID-19!

The screenshot displays a web form for COVID-19 vaccine registration. In the background, there are several priority groups listed with checkboxes: 'risk; priority for those 50 years old and above', 'Healthcare workers who work at Covid-19 facilities and isolation facilities', 'Healthcare workers providing care for patients at in ICU/long-term care facilities/home care', and 'Essential first responders/workers'. A white modal box in the foreground, titled 'Successful Registration', contains a thank-you message and an 'OK' button. Below the modal, a yellow box provides additional information, and a yellow button at the bottom offers a link to continue registration. The footer contains the copyright notice for the Ministry of Public Health.

risk; priority for those 50 years old and above

☐ Healthcare workers who work at Covid-19 facilities and isolation facilities

☐ Healthcare workers providing care for patients at in ICU/long-term care facilities/home care

☐ Essential first responders/workers

### Successful Registration

Thank you for registering your interest to take the Covid-19 vaccine. You did not select First or Second Priority group, however, you will be contacted for an appointment when you are eligible to take the vaccine based on priority

OK

Even if you do not fit into one of the above priority groups, we will record your interest to take the vaccine, and you will be contacted when you are eligible.
